CAPITAL OVER 350,000 DOLLARS. AND CONSTANTLY INCREASING. The Charter of this Company offers more favorable advantages to the farmer and others, than any Company chartered in the State, by insuring with or without a premium note. If the applicant prefer, he can pay the full amount of the premium years, the insured saves one-eighta of the amount it is the purest Liquor made in the world. he would otherwise have to pay; or by becoming a member, and giving a small premium note, the inness, enables us to offer our services with confidence sared saves nearly one-half of the amount charged by Stock Companies, when insuring from year to year. This is the advantage resulting from the

ombination of the CASH AND MUTUAL PRINCIPLE. This Company commenced issuing Policies against loss or damage by fire, on the 13th day of March, 1854, since which time over seven thousand seven hundred persons have insured and become Imported and Bottled by himself, put up for mediand dellars have been paid for tosses. Having increased our business during the past year, we feel grateful for the liberal patronage bestowed upon the Company thus far, and for its flattering prospacts of future usefulness. The Directors hope and believe, that, by prudence, caution, and a rigid system of economy, they will establish for this Company a reputation for cheapness and safety not surpassed by any Company in the U. States. All differences in sattlement of losses, may be determined by three disinterested arbitrators of the County where such less happened, to be mutually chosen by the insured and the Company.

MISCELLANEOUS READING. GAB. What ails the Nation, North and South? Is it ridden by Queen Mab?

No faith! 'tis only in a stew From too much senseless Gab. Since ancient Babel's rise and fall-Before and since Ahab. That which has done the world most harm Is everlasting Gab. Both Greece and Rome, of olden time,

Received their fatal stab. And fell the ruined victims of Their own incessant Gab. The wise, 'tis said, but little speak, While fools are wont to blab; And fools have so filled up the world, The world is ruled by Gab.

Go where you will, in-doors or out-Eat oysters, fish or crab, At any place, in any crowd, There's no escape from Gab. Of words ill spoken every day Our ears receive a drab;

And feuds and quarrels have their birth, Nine out of ten, in Gab. Of forts and guns and bloody strife The politicians blab; While law and order quail beneath Their murderous blows of Gab.

Alack! the Nation feels a pinch

When high Officials grab,

But still the Nation suffers most From demagogues and Gab. See how the Union rocks and reels-Who gave the ruthless stab? The pulpit, stump and rostrum shout. We've sap'd its walls with Gab.

OLD FOGY. Alexandria, February 16. When the eye is irritated by dust or intrusive particle of any kind, the sufferer invariably shuts and rubs his eye, and not unfrequently the removal of the irritating cause becomes more difficult. The proper practice is to keep the eye open, as if staring; a sort of rotary movement of the ball takes place, the surface becomes covered with water, the particle is gradually impelled to the The following order, passed by the Common corner of the eye, and is there floated out, or can be easily removed, without any of Ordered, That the Superintendent of the Gas the disagreable consequences that attend
